RED ARMY By Ralph Peters

From the cockpit of a MIG to the foot soldiers and tankers on the scarred, bloody battlefields to the four-star general commanding the attack, Red Army is a riveting portrayal of modern war--and of human strengths and weaknesses. Seen entirely through Russian eyes, this extraordinary novel is destined to become a classic.

Editorial Review

From Publishers Weekly

Contemporary fiction with a war-fighting theme demands an obliging enemy who tests one's strengths and virtues to their limits, but ultimately makes the right decisions--and the right mistakes--to secure a favorable outcome for the "good guys." Western authors from Sir John Hackett to Tom Clancy have assigned that role to the Soviet Union. Peters, a Soviet analyst, Russian linguist and military intelligence officer, reverses the image in this brilliantly executed military procedural that tells the story of a future conventional war on the NATO central front entirely from a Soviet perspective. He eschews national policy, grand strategy, and high-tech gadgetry to focus on the mentalite of the modern Soviet soldier, from marshall to rifleman. Fusing knowledge of Soviet fighting techniques and Russian history, he presents credible military situations and characters who are archetypes rather than stereotypes. Readers will find here neither the military primitives described by Viktor Suvorov and Alexander Cockburn, nor the mirror-images based on U.S. models that dominate so much recent fiction. Peters's Red Army is by no means a perfect military instrument, but it knows how to fight. And it recognizes a fundamental truth: wars are won by the side making the fewest mistakes. In these pages, NATO becomes the obliging enemy whose errors of planning and execution contribute to a Soviet victory that is as well-deserved as it is hard-fought. Military Book Club main selection; Literary Guild and Doubleday Book Club alternates.

Users Review

From reader reviews:

Randell Easley:

Reading a publication tends to be new life style in this particular era globalization. With examining you can get a lot of information that will give you benefit in your life. Using book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A lot of author can inspire their reader with their story or maybe their experience. Not only the storyplot that share in the books. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors these days always try to improve their talent in writing, they also doing some study before they write for their book. One of them is this RED ARMY.

Deborah Lake:

Reading can called imagination hangout, why? Because while you are reading a book specially book entitled RED ARMY your head will drift away trough every dimension, wandering in each aspect that maybe mysterious for but surely will become your mind friends. Imaging every single word written in a e-book then become one type conclusion and explanation that maybe you never get before. The RED ARMY giving you another experience more than blown away your head but also giving you useful details for your better life with this era. So now let us show you the relaxing pattern at this point is your body and mind will likely be pleased when you are finished studying it, like winning a casino game. Do you want to try this extraordinary spending spare time activity?

Lenora Hungate:

This RED ARMY is great guide for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. This specific book reveal it data accurately using great coordinate word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with beautiful delivering sentences. Having RED ARMY in your hand like finding the world in your arm, information in it is not ridiculous just one. We can say that no book that offer you world throughout ten or fifteen second right but this guide already do that. So , this can be good reading book. Hi Mr. and Mrs. busy do you still doubt that?

Gilbert Westmoreland:

Reading a book to be new life style in this yr; every people loves to examine a book. When you examine a book you can get a lot of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you want to get information about your study, you can read education books, but if you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, and also soon. The RED ARMY offer you a new experience in reading through a book.
