Plato: Political Philosophy (Founders of Modern Political and Social Thought) By Malcolm Schofield

Plato is the best known and most widely studied of all the ancient Greek philosophers. Malcolm Schofield, a leading scholar of ancient philosophy, offers a lucid and accessible guide to Plato's political thought, enormously influential and much discussed in the modern world as well as the ancient. Schofield discusses Plato's ideas on education, democracy and its shortcomings, the role of knowledge in government, utopia and the idea of community, money and its grip on the psyche, and ideological uses of religion.

Editorial Review

Review

"Students of Plato who pick up this book are in for a treat."--Rachana Kamtekar, *The Review of Metaphysics*

"Schofield has written an imaginative scholarly work that is a wonderful introduction to many of the essential questions in political philosophy. By engaging Plato's thought into historical conversations with thinkers across the years (from Proclus to Rousseau to Mill to Rawls), Schofield situates Plato's ideas into a rich and interactive context. This work is highly recommended for scholars and students alike." --Michael Boylan, Marymount University

"Malcolm Schofield has written an outstanding overview and critical assessment of Plato's political philosophy.... There is no better way to enter this aspect of Plato's thought than to read this fine contribution to the series, *Founders of Modern Political and Social Thought*, edited by Mark Philip.... It will endure as an indispensable guide not only to its principal subject--the *Republic*--but to all of Plato's political writings, and to their enduring interest today."--Richard Kraut, *Notre Dame Philosophical Reviews*

About the Author

Malcolm Schofield is at University of Cambridge.

Users Review

From reader reviews:

Larry Turner:

Book is usually written, printed, or created for everything. You can know everything you want by a e-book. Book has a different type. As you may know that book is important matter to bring us around the world. Alongside that you can your reading ability was fluently. A reserve Plato: Political Philosophy (Founders of Modern Political and Social Thought) will make you to become smarter. You can feel far more confidence if you can know about everything. But some of you think this open or reading the book make you bored. It is far from make you fun. Why they could be thought like that? Have you seeking best book or suited book with you?

James Rutledge:

What do you in relation to book? It is not important to you? Or just adding material when you really need something to explain what the one you have problem? How about your free time? Or are you busy man or

woman? If you don't have spare time to complete others business, it is make you feel bored faster. And you have extra time? What did you do? Everybody has many questions above. The doctor has to answer that question mainly because just their can do that will. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need this particular Plato: Political Philosophy (Founders of Modern Political and Social Thought) to read.

Charles Whittaker:

Reading a book being new life style in this yr; every people loves to read a book. When you go through a book you can get a lot of benefit. When you read publications, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. In order to get information about your examine, you can read education books, but if you want to entertain yourself you can read a fiction books, this kind of us novel, comics, in addition to soon. The Plato: Political Philosophy (Founders of Modern Political and Social Thought) will give you a new experience in examining a book.

Thelma Atkins:

Is it a person who having spare time in that case spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This Plato: Political Philosophy (Founders of Modern Political and Social Thought) can be the solution, oh how comes? The new book you know. You are and so out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these books have than the others?
