## **Editorial Review**

From the Author

If you're reading this, chances are very good that even though *Gilmore Girls* ended three years ago, you simply can't get the lives and loves of the people of Stars Hollow out of your mind. I'm the same way. You've probably heard people say that they wrote a particular book because it was the kind of book they wanted to read; in this case, that's exactly what happened.

Throughout the show's seven-year run, I stalked Amazon and my local bookstores, always hoping that someone would publish a book about this, one of my favorite shows of all time. By 2008, a year after the last episode had aired, I realized that nobody was going to write one, which is when I approached my publisher about the prospect of writing one of my own. Thankfully, the head of BearManor Media is one of those souls who realizes just how important some television shows can be to people.

After nearly three years, 480 pages, and more than 40 interviews with the cast and crew of *Gilmore Girls*, I've come to appreciate just how unique this series, and the people who worked so tirelessly behind it, really are. My hope is that after reading it, you will too.

About the Author

A.S. Berman is a longtime *Gilmore Girls* fan, and author of *The New Horror Handbook* and *30 Years of British Television*. He and his wife (and *Gilmore Girls Companion* art director) Pamela share a house with a cat named after Max Medina, though CatKirk now seems more suitable. (Max, no!) Berman is currently working on *Soap! The Inside Story of the Sitcom that Broke All the Rules*.
