Deliver Us: Three Decades of Murder and Redemption in the Infamous I-45/Texas Killing Fields By Kathryn Casey

Critically acclaimed author Kathryn Casey delivers a riveting account of the brutal murders of young women in the I-45/Texas Killing Fields. The book that spotlighted decades-old murders and helped solve the cases, *Deliver Us* contains interviews with alleged serial killer William Lewis Reece, who has led investigators to the remains of young women buried in Texas.

Over a three-decade span, more than twenty women--many teenagers--died mysteriously in the small towns bordering Interstate 45, a fifty-mile stretch of highway running from Houston to Galveston. The victims were strangled, shot, or savagely beaten. Six met their demise in pairs. They had one thing in common: being in the wrong place at the wrong time.

The day she vanished, Colette Wilson waited for her mother after band practice. Best friends Debbie Ackerman and Maria Johnson loved to surf and were last seen hitchhiking. Laura Kate Smither dreamed of becoming a ballerina and disappeared just weeks before her thirteenth birthday.

In this harrowing true crime exposition, award-winning journalist Kathryn Casey tracks these tragic cases, investigates the evidence, interviews the suspects, and pulls back the cloak of secrecy in search of elusive answers.
