From School Library Journal

Gr 9 Up—The sequel to *The Jewel* (HarperCollins, 2014) picks up within hours of the first volume's end. Violet and Ash's love affair has been discovered by the Duchess of the Lake. In order to save Ash and to survive, Violet must trust The Black Key, a secret society bent upon the destruction of the royals in the Jewel. Violet escapes from the Jewel circle to the Farm circle, along the way learning that surrogates are not the only ones who are being used by the royals: boys are forced to be companions for the wealthy, girls are being kidnapped into slavery, servants are killed on a whim, boys are being conscripted into military service, and children are dying from disease. This realization makes the protagonist determined to end the reign of the royals and discover the true meaning behind the Auguries, the powers that the royals find so desirable in their surrogates. What Violet learns about those powers will change the future of the city. This work has its own fast-paced plot and doesn't just bridge the first book to the third. Questions are answered from the first installment in this tale, backstory and history are provided for better understanding of the workings of the Lone City, and a surprise twist will make readers anxious for the next series entry. **VERDICT** A must-read for fans of the previous title; they will not be disappointed.—Lisa Nabel, Dayton Metro Library, OH

Review

“This fast-paced plot and a surprise twist will make readers anxious for the next series entry. A must-read for fans of the previous title; they will not be disappointed.” (School Library Journal)

“The story's setting is interesting. A decadent matriarchal society is thought provoking. This is a quick read. Good storytelling.” (Voice of Youth Advocates (VOYA))

“Ewing bravely blends several genres. This solidly sets fans up for the next volume.” (Kirkus)

From the Back Cover

Violet is on the run. After the Duchess of the Lake catches Violet with Ash, the hired companion at the Palace of the Lake, Violet has no choice but to escape the Jewel or face certain death. So along with Ash and her best friend, Raven, Violet runs away from her unbearable life of servitude.

But no one said leaving the Jewel would be easy. As they make their way through the circles of the Lone City, Regimentals track their every move, and the trio barely manages to make it out unscathed and into the safe haven they were promised—a mysterious house in the Farm.

But there's a rebellion brewing, and Violet has found herself in the middle of it. Alongside a new ally, Violet discovers her Auguries are much more powerful than she ever imagined. But is she strong enough to rise up against the Jewel and everything she has ever known?

*The White Rose* is a raw, captivating sequel to *The Jewel* that fans won't be able to put down until the final shocking moments.
