Editorial Review

Review

"Doctoral students and new faculty members, this is the resource you've been waiting for. This should be required reading for all novice counselor educators entering the field, and department chairs should buy several copies to keep on hand for new hires. An exceptional, unique, and much needed resource!" - **Cynthia Briggs, PhD, Assistant Professor, Counselor Education, Winona State University**

"This timely textbook provides excellent information. It enables faculty to achieve effective learning outcomes while giving students a firm foundation for building their careers in Counselor Education." - **Bret Hendricks, EdD, Associate Professor and Clinical Director, Counselor Education Program, Texas Tech University**

"The field of counseling has long awaited a resource such as this. Whether you are a beginning instructor or seasoned counselor educator, you will find something here to inspire and energize your teaching." - **Julie M. Koch, PhD, Assistant Professor, School of Applied Health and Educational Psychology, Oklahoma State University**

"This book is compiled by experienced professors, counselors, and other professionals in the field who lend their expertise, making this an essential resource for those beginning their endeavours...a valuable resource and a must for the counselor educators library." - **Tonia Goodrich, Association for Humanistic Counseling**
