7 Laws of True Prosperity: The Secrets to Genuine Success By Cecil Kemp

Countering the world's definitions of wealth and success, this engaging parable reveals there's so much more to life than accumulating money and possessions. Christian businessman Cecil Kemp unveils 7 simple principles for attaining genuine happiness through the easy-to-follow life of Sam, a village wood gatherer. Sam dreams of moving beyond the daily tediousness of barely getting by. Stepping out in faith, he leaves the familiar surroundings of "the way it's always been done" and realizes unexpected pleasure in doing his best for God. But Sam's journey isn't always smooth. Encountering setbacks, he soon understands that wisdom doesn't always come from expected sources.

From exploring the "law of motive" (work motivated by love brings satisfaction) to highlighting the "law of preparation" (being wise managers of the resources God provides leads to abundance in many areas), 7 Laws of True Prosperity shows people how following God's principles leads to more joy, more satisfaction, and more opportunities to make a difference.

Cecil is very well spoken--a fresh voice who shares a thinking person's message that speaks right to questions and provides answers that stand the test of time...now and eternally. I unreservedly recommend him. Dave Ramsey, Nationally syndicated radio host and New York Times bestselling author. Thank you Cecil for walking our management team through your book 7 Laws of True Prosperity. It was an exceptional experience having you facilitate our journey through the many valuable lessons woven into the story. Matt Clarke, CEO, Churchill Mortgage, Brentwood, Tennessee 7 Laws of True Prosperity is one of the best books regarding work, prosperity and wisdom of life's journey that I have read outside of the Bible. I can recommend this book to anyone who desires to see world prosperity in a different light. Claude E. Blankenship, Blankenship CPA Group. After reading 7 Laws of True Prosperity, I hired Cecil as my life coach and mentor. From this exceedingly humble and wise man, I gained abundantly...professional vision and personal transformation: relationally, financially and, most importantly, spiritually. --RB, physician, Tennessee

I have enjoyed reading 7 Laws of True Prosperity, as well as having Mr. Kemp actually lead our Churchill Mortgage management team in a four week review of the book. It was exceptionally transformative in terms of helping our 20+ management team members understand how to work better together, as well as how to better relate and manage their respective teammates. As I have learned from over 35 years in business and managing people, having success is much more than just making lots of money. Success truly is well defined and taught by this wise man! --Mike Hardwick, Churchill Mortgage Corporation

The chapters were short, the story was intriguing and eventful, and the message was impactful for real life living in today's world. I found myself relating to the main character, Sam and the lessons he was learning about life, success, work, family, and loving people versus rushing after the almighty dollar. Well worth the read. --Dave Gillihan, Portland Oregon, Small Business Entrepreneur
