Obstetrics and Gynecology By Elmar P. Sakala MD MA MPH

BRS Obstetrics and Gynecology applies the popular BRS format of outline review followed by USMLE-style questions. This second edition focuses on OB/GYN clerkship material relevant to the USMLE Step 2 and clerkship exams. Dr. Sakala, who actively teaches USMLE Steps 2 and 3 preparatory courses, has included 500 updated review questions with complete answers and explanations. Also featured in this revised edition are new illustrations, an abridged infectious disease section, additional information on Breast Diseases (a topic heavily tested on the USMLE Step 2), and more clinical features.

Editorial Review

Users Review

From reader reviews:

David Lucero:

Within other case, little individuals like to read book Obstetrics and Gynecology. You can choose the best book if you want reading a book. So long as we know about how is important a book Obstetrics and Gynecology. You can add information and of course you can around the world by just a book. Absolutely right, due to the fact from book you can know everything! From your country until eventually foreign or abroad you may be known. About simple point until wonderful thing you may know that. In this era, we could open a book as well as searching by internet unit. It is called e-book. You can use it when you feel weary to go to the library. Let's examine.

Mary McCollum:

Hey guys, do you wants to finds a new book you just read? May be the book with the subject Obstetrics and Gynecology suitable to you? The actual book was written by popular writer in this era. Typically the book untitled Obstetrics and Gynecology is the main of several books which everyone read now. This book was inspired a number of people in the world. When you read this publication you will enter the new dimension that you ever know prior to. The author explained their concept in the simple way, and so all of people can easily to know the core of this guide. This book will give you a lot of information about this world now. In order to see the represented of the world within this book.

Aaron Marks:

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's internal or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Obstetrics and Gynecology can make you sense more interested to read.

Melody Herrera:

What is your hobby? Have you heard this question when you got college students? We believe that that issue was given by teacher with their students. Many kinds of hobby, Every person has different hobby. And you know that little person like reading or as examining become their hobby. You need to know that reading is very important in addition to book as to be the issue. Book is important thing to add you knowledge, except

your own teacher or lecturer. You see good news or update regarding something by book. Numerous books that can you choose to adopt be your object. One of them are these claims Obstetrics and Gynecology.
