Editorial Review

From Publishers Weekly

As he portrays environmentalists, surrogate mothers and drug dealers, "Boyle proves himself in this second story collection truly a master of that genre. Wide-ranging in subject and variously comic, tragic, poignant and horrific, the stories are all compounds of imagination, vitality and scrupulous craft," judged PW.

Review

"Satirical fables of contemporary life, so funny and acutely observed that they might have been written by Evelyn Waugh as sketches for... 'Saturday Night Live.' ...Indeed, the best of his stories not only make the reader see; they make the reader hear and smell and feel." --**The New York Times**
