## A Practical Approach to Civil Procedure By Stuart Sime

Trusted by generations of students and litigators, *A Practical Approach to Civil Procedure* is the perfect guide through the maze of procedural requirements employed in the civil courts. Written by an expert in the field and co-editor of *Blackstone's Civil Practice*, the book provides a wide-ranging and detailed overview of the key statutory provisions, rules, practice directions and case law which govern the various stages of a civil litigation claim, making it essential reading for students and newly qualified litigators alike.

Providing highly practical guidance throughout, the book charts the progress of a typical civil litigation claim, from funding litigation and issuing and serving proceedings, through to trial, enforcement and appeal. Full coverage of alternative dispute resolution is also included. Relevant sample documentation is featured throughout and introduces the reader to the forms and documents which will be encountered in practice, while key point summaries featured at the end of chapters highlight the essential points covered.

Updated annually, this sixteenth edition has been fully revised to incorporate rule amendments introduced by the Civil Procedure (Amendment No. 3) Rules 2013 and the 62nd Update. New chapters on costs management, costs capping, and qualified one-way costs shifting have been added to this edition, and the text has been significantly revised throughout with recent developments, including procedural changes and updated forms and directions.

### Online Resources

Regular online updates provide easy access to changes in the field, allowing readers to keep abreast of current legislation and practice.

## **Editorial Review**

### **Review**

Review from previous edition: "This material is presented in an extremely practical and accessible manner....this text is extremely useful to experienced and inexperienced practitioners, students and litigants in person." --Student Law Journal

"This text provides the best pragmatic and detailed overview of the civil process on the market. Life would have been much easier if this work existed when I became a litigator. Clearly written and thorough, it is without equal." --Professor Dominic Regan, Honorary Visiting Lecturer, City University, CPD lecturer, Legal writer and broadcaster

### **About the Author**

Stuart Sime, *Barrister and Director of the BPTC at The City Law School, City University, London*

Stuart Sime is a Barrister and Course Director of the BPTC at The City Law School, City University, London.
