## The Garden of Burning Sand By Corban Addison

*The New York Times* bestselling author John Hart raved that "If you like stories of good people struggling to do right in the world's forgotten places, there is no one better suited than Corban Addison to take you on the ride of your life." In *The Garden of Burning Sand*, Addison, the bestselling author of *A Walk Across the Sun*, creates a powerful and poignant novel that takes the reader from the red light areas of Lusaka, Zambia, to the gilded chambers of the Washington, D.C. elite, to the splendor of Victoria Falls and Cape Town.

Zoe Fleming, an accomplished young human rights attorney, has made a life for herself in Zambia, far from her estranged father--an American business mogul with presidential aspirations--and from the devastating betrayals of her past.

When a young girl with Down syndrome is sexually assaulted in a Lusaka slum, Zoe joins Zambian police officer Joseph Kabuta in investigating the rape. Piecing together clues from the victim's past, they discover an unsettling connection between the girl--Kuyeya--and a powerful Zambian family who will stop at nothing to bury the truth.

As they are drawn deeper into the complex web of characters behind this appalling crime, Zoe and Joseph forge a bond of trust and friendship that slowly transforms into love. Opposed on all sides, they find themselves caught in a dangerous clash between the forces of justice and power. To successfully prosecute Kuyeya's attacker and build a future with Joseph, Zoe must risk her life and her heart--and confront the dark past she thought she had left behind.

As Zoe Fleming awaits her summons to address the Senate Committee on Foreign Relations, she recalls the circumstances that brought her to this place, an experience that has put her at public odds with her estranged father, a presidential candidate. While working in Zambia as a lawyer for a nonprofit agency combating human rights abuses, Zoe accompanied a police officer to interview a girl found raped and wandering the streets. Zoe's compassion and emotional connection with the child, an orphan with Down syndrome named Kuyeya, incited an anger that had been simmering in her for years, and she joined forces with the cop to find the rapist. Medical, legal, and cultural roadblocks made arrest and prosecution difficult, but Zoe determined to help Kuyeya and do her best to push Zambia one step further into the twenty-first century. Whether she is as passionate about mending her relationship with her father is a different matter. Addison's human rights agenda tends to overwhelm his story, but in dealing bluntly with crucial issues such as rape, AIDS, superstition, and poverty, he effectively touches the consciousness of his readers. --Stephanie Zvirin
