Lianna's Lessons By Mandie Mills

Lianna sends a naughty email to the wrong address. She's mortified and terrified, but the response she gets intrigues her. For reasons she can't explain, she keeps it. After a painful, humiliating breakup with her long-time boyfriend, she contacts the mystery man from the email and begins a relationship she could never have imagined. Her confidence and self-esteem grow as he teaches her to completely give herself over to pleasure—to him.

When they finally meet the chemistry is explosive. Sebastian is confident, dominant and into kink. He introduces her to an array of devices that are designed to inflict pain, yet he brings her to new heights of unbelievable pleasure as he fully masters her. He recreates her darkly violent submissive fantasies, giving Lianna everything she has ever desired. The more they experience each other, the more they grow together. Lianna is becoming the woman she's always wanted to be.
