Way Off Plan (Firsts and Forever) By Alexa Land

Jamie Nolan is a young cop on his first undercover assignment, sent to investigate Dmitri Teplov, a suspected major player in the Russian mafia. Jamie knows better than to get involved with the gorgeous nightclub owner. But right from the start, the spark of attraction between the two of them is undeniable. Everything about Dmitri is just so unexpected. He's sweet and shy, and has a nerdy side that Jamie finds irresistible. Can this man really be a criminal? No matter if Dmitri is guilty or innocent, Jamie's big Irish Catholic family of cops and his police captain are never going to accept this relationship. Dmitri's dangerous and manipulative gangster uncle is also none too thrilled that these two are together, and wants Jamie out of the picture. On top of that, Jamie's still reeling from a recent breakup, and Dmitri is unavailable anyway. Isn't he? No way should this thing between them be happening. Getting involved with Dmitri Teplov was never part of the plan. But sometimes, the best plan is the one you make up as you go along. This book contains explicit language and graphic sex. For readers 18+ only.

Users Review

From reader reviews:

Robert Arnett:

Book is to be different for every grade. Book for children until eventually adult are different content. To be sure that book is very important normally. The book Way Off Plan (Firsts and Forever) seemed to be making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The publication Way Off Plan (Firsts and Forever) is not only giving you more new information but also to become your friend when you feel bored. You can spend your own personal spend time to read your e-book. Try to make relationship while using book Way Off Plan (Firsts and Forever). You never experience lose out for everything when you read some books.

Alejandro Wisdom:

In this 21st millennium, people become competitive in each and every way. By being competitive today, people have do something to make these people survives, being in the middle of often the crowded place and notice by means of surrounding. One thing that oftentimes many people have underestimated this for a while is reading. Sure, by reading a book your ability to survive increase then having chance to stand up than other is high. In your case who want to start reading some sort of book, we give you that Way Off Plan (Firsts and Forever) book as beginner and daily reading reserve. Why, because this book is more than just a book.

Thelma Atkins:

As people who live in typically the modest era should be update about what going on or data even knowledge to make these individuals keep up with the era that is certainly always change and progress. Some of you maybe can update themselves by looking at books. It is a good choice in your case but the problems coming to an individual is you don't know what one you should start with. This Way Off Plan (Firsts and Forever) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

Donna Muniz:

Nowadays reading books become more and more than want or need but also get a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the actual

information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want attract knowledge just go with education books but if you want sense happy read one with theme for entertaining for example comic or novel. The actual Way Off Plan (Firsts and Forever) is kind of book which is giving the reader unpredictable experience.
