### Playing With the Drummer (Head Over Heels) By Robin Covington

Entertainment journalist Lita Matthews is on the verge of making it big. As in her-own-TV-show big. She just needs amazing inside scoop on the year's hottest celebrity wedding. Instead, her big break is becoming a big nightmare—all thanks to rock star Rocky Cardano. Who apparently hasn't gotten over what happened between them four years ago...

Rocky is pretty damn familiar with just how far Lita will go for a “scoop.” Hell, their unbelievably hot hook-up in Mexico years ago was the story of a lifetime. Rocky's learned his lessons. He'll do whatever it takes to keep her from the story—even if he has to seduce her to the point of distraction! But Lita has always had a way of getting under his skin. Only this time, he won't be able to just walk away...
