The Lords Of Creation By Frederick Lewis Allen

Our first golden age began over a century ago. Recovered from the Civil War, secure as a nation from coast to coast, fueled by millions of energetic immigrants (aka cheap labor), unrestrained by regulation, capital America gorged and fed. From 1890 to 1929 it could do no wrong.

Those who controlled this growth, the Morgans, Rockefellers, Fords and Vanderbilts, lived far above the hoi polloi. They were the "lords of creation" about whom Frederick Lewis Allen has written.

"Captures an era that in many ways set the tone for our own excesses of the '80s. Proves that times may change, but people rarely do." (Publisher's Source)

From reader reviews:

Verna Smith:

What do you consider book? It is just for students since they are still students or the item for all people in the world, the actual best subject for that? Merely you can be answered for that question above. Every person has several personality and hobby for each and every other. Don't to be pushed someone or something that they don't need do that. You must know how great along with important the book The Lords Of Creation. All type of book can you see on many sources. You can look for the internet solutions or other social media.

Margherita Pettit:

Now a day those who Living in the era everywhere everything reachable by connect with the internet and the resources included can be true or not require people to be aware of each details they get. How people have to be smart in obtaining any information nowadays? Of course the answer is reading a book. Reading a book can help men and women out of this uncertainty Information mainly this The Lords Of Creation book because this book offers you rich facts and knowledge. Of course the information in this book hundred pct guarantees there is no doubt in it you probably know this.

Corey Mullen:

Playing with family within a park, coming to see the coastal world or hanging out with close friends is thing that usually you will have done when you have spare time, in that case why you don't try factor that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love The Lords Of Creation, you may enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh can occur its mind hangout men. What? Still don't have it, oh come on its referred to as reading friends.

Daphne Jones:

Many people spending their time frame by playing outside along with friends, fun activity together with

family or just watching TV the entire day. You can have new activity to shell out your whole day by reading through a book. Ugh, you think reading a book will surely hard because you have to bring the book everywhere? It ok you can have the e-book, having everywhere you want in your Cell phone. Like The Lords Of Creation which is having the e-book version. So , why not try out this book? Let's view.
