### Whiskey Words & a Shovel II By r.h. Sin

Real and raw, the voice of R. H. Sin delivers gritty, impassioned truths on matters of loving, living, and leaving in his second book of poetry. Sin's first book is a bestseller and continues to delight his one million followers.

R.H. Sin's second volume continues the passion and vigor of his previous publication. His stanzas inspire strength through the pure emotional energy and the vulnerability of his poems. Relationships, love, pain, and fortitude are powerfully rendered in his poetry, and his message of perseverance in the face of emotional turmoil cuts to the heart of modern-day life.

R.H. Sin's poems are often only a few lines long, and yet the emotional punch of his language gives these words an enduring power beyond the short page. He doesn't back away from the pains and struggles of life and love, and yet his determined, unapologetic voice provides a measure of comfort and a message of perseverance that is at once realistic and indomitable. This blend of determination and painful vulnerability gives his poetry a distinctive, engaging flavor.

## **Editorial Review**

### **Review**

"That [past] relationship continues to fuel his writing, which encourages women to dump lesser men, avoid jerks, and stand up for what they want." (Sheila Marikar, The New Yorker)

### **About the Author**

Born in New Brunswick, NJ, and later moving to Florida, r.h. Sin comes from a place where a life of pain is the norm and destruction is a constant. Through an early love for reading and writing, r.h. Sin was able to pull away from some of the social distractions that plagued so many of his peers. After returning to the northeast and moving to New York in pursuit of love, the young modern poet found that and much more.

## **Users Review**

### **From reader reviews:**

#### **Gary Rose:**

This Whiskey Words & a Shovel II book is just not ordinary book, you have after that it the world is in your hands.
