Editorial Review

From Publishers Weekly

Starred Review. The first volume of this slacker-manga-action hybrid introduced Scott Pilgrim, a video game-playing regular guy whose love life leads him into irregular trouble. This second book opens with a peek into Scott's past: we see his early romantic troubles and the talentless band that sprang from them. In the present, Scott's new romance with mysterious messenger girl Ramona Flowers sends his former girlfriend, teenage Knives Chau, into a fury that culminates in an all-out kung fu battle between the two. In the surrealist twists that fill O'Malley's work, characters who are introduced in dreams end up playing major parts in the "real" life of the story, and you never know when the meandering lives of these Canadian 20-somethings are going to shift into high-action fight sequences. O'Malley gained acclaim and award nominations for the first Scott Pilgrim book, and he deserves the recognition. The story continued here is delightful, light, clever and surprising. O'Malley takes a manga influence—big eyes, informational inserts and explosions of energy—and throws in pop culture references—a band named the Clash at Demonhead, Ramona's skater turned movie star ex-boyfriend—to create a fresh, grungy style. The narrative jumps, combined with sharp, sardonic dialogue, make this a great oddball tale that captures the energy of a generation. (*June*)

Users Review

From reader reviews:

Pamela Bradley:

Have you spare time for just a day? What do you do when you have considerably more or little spare time? Yep, you can choose the suitable activity regarding spend your time. Any person spent their particular spare time to take a walk, shopping, or went to the actual Mall. How about open or read a book called Scott Pilgrim Color Hardcover Volume 2: Vs. The World? Maybe it is being best activity for you. You know beside you can spend your time with your favorite's book, you can more intelligent than before. Do you agree with it is opinion or you have other opinion?

Alita Schmidt:

Does one one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Try to pick one book that you just dont know the inside because don't evaluate book by its protect may doesn't work the following is difficult job because you are frightened that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer might be Scott Pilgrim Color Hardcover Volume 2: Vs. The World why because the wonderful cover that make you consider with regards to the content will not disappoint you actually. The inside or content will be fantastic as the outside as well as cover. Your reading 6th sense will directly make suggestions to pick up this book.

Raymond Augustus:

Within this era which is the greater man or woman or who has ability to do something more are more treasured than other. Do you want to become certainly one of it? It is just simple approach to have that. What you are related is just spending your time very little but quite enough to enjoy a look at some books. One of many books in the top list in your reading list is actually Scott Pilgrim Color Hardcover Volume 2: Vs. The World. This book which is qualified as The Hungry Inclines can get you closer in turning out to be precious person. By looking right up and review this book you can get many advantages.

Verna Krell:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's internal or real their pastime. They just do what the professor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Scott Pilgrim Color Hardcover Volume 2: Vs. The World can make you truly feel more interested to read.
