The Art of Decisions: How to Manage in an Uncertain World By Chris Blake

The Fast-Paced, Fun-to-Read Guide to Making Better Decisions!

How much information do you really need to make a business decision? Why don't past winners keep on winning? When should you fold your hand, and when should you press on? In *The Art of Decisions*, Chris Blake reveals the amazing hidden realities beneath human decision making—and helps you optimize every decision you make.

Blake begins by exploding the #1 myth of decision making: the idea that if you have enough knowledge, you can engineer away all risk and make a rational, objective decision that's nearly guaranteed to succeed. Next, Blake turns to the decision-making process itself, teaching better ways to make decisions in a world full of uncertainty, randomness, and tough luck.

Drawing on the secrets of psychology, poker, and probability, you'll learn how to identify and overcome biases and errors that constantly creep into the decision-making process. You'll discover the power and pitfalls of intuition in familiar and unfamiliar environments and learn "rules of thumb" drawn from fields as diverse as gambling and computer programming.

You're human. You'll never be perfect. But if you want to be right more often, when it matters most, this book will get you there.

- **Decision-making lessons from Texas Hold'em**

- ¿¿ What to do about the risks and randomness you can't eliminate

- **Follow your instinct or follow the rules?**

- ¿¿ When to use your intuition--and when to doubt it

- **Know when it's time to decide**

- ¿¿ How to know when you know enough

- **Make better decisions in unfamiliar environments**

- ¿¿ Hire a guide or make a map?

Editorial Review

Users Review

From reader reviews:

Dana Gallo:

In other case, little men and women like to read book The Art of Decisions: How to Manage in an Uncertain World. You can choose the best book if you appreciate reading a book. So long as we know about how is important the book The Art of Decisions: How to Manage in an Uncertain World. You can add information and of course you can around the world by way of a book. Absolutely right, simply because from book you can recognize everything! From your country until eventually foreign or abroad you will end up known. About simple matter until wonderful thing it is possible to know that. In this era, we can easily open a book or perhaps searching by internet unit. It is called e-book. You need to use it when you feel fed up to go to the library. Let's examine.

Rebecca Kurtz:

Nowadays reading books become more than want or need but also work as a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge your information inside the book which improve your knowledge and information. The details you get based on what kind of reserve you read, if you want send more knowledge just go with training books but if you want feel happy read one having theme for entertaining like comic or novel. The The Art of Decisions: How to Manage in an Uncertain World is kind of reserve which is giving the reader unstable experience.

Elliot Weber:

Reading a book being new life style in this yr; every people loves to study a book. When you study a book you can get a great deal of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. In order to get information about your examine, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this sort of us novel, comics, and soon. The The Art of Decisions: How to Manage in an Uncertain World offer you a new experience in studying a book.

John Rowland:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful

photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Art of Decisions: How to Manage in an Uncertain World can make you experience more interested to read.
