Authority and the Individual By Bertrand Russell

Bertrand Arthur William Russell, 18 May 1872–2 February 1970) was a British philosopher, logician, mathematician, historian, writer, social critic and political activist. At various points in his life he considered himself a liberal, a socialist, and a pacifist. In the early 20th century, Russell led the British "revolt against idealism". He is considered one of the founders of analytic philosophy along with his predecessor Gottlob Frege, colleague G. E. Moore, and his protégé Ludwig Wittgenstein. He is widely held to be one of the 20th century's premier logicians. With A. N. Whitehead he wrote *Principia Mathematica*, an attempt to create a logical basis for mathematics. His philosophical essay "On Denoting" has been considered a "paradigm of philosophy". His work has had a considerable influence on logic, mathematics, set theory, linguistics, artificial intelligence, cognitive science, and philosophy, especially the philosophy of language, epistemology, and metaphysics.

Editorial Review

Review

`Russell has rarely written more lucidly, lightly and directly.' - *The Spectator*

`... enormously worth reading.' - *Daily Telegraph*

About the Author

Bertrand Russell (1872-1970). A celebrated mathematician and logician, Russell was and remains one of the most genuinely widely read and popular philosophers of modern times.

Users Review

From reader reviews:

Walter Berry:

Now a day individuals who Living in the era exactly where everything reachable by match the internet and the resources inside can be true or not need people to be aware of each information they get. How many people to be smart in acquiring any information nowadays? Of course the correct answer is reading a book. Examining a book can help individuals out of this uncertainty Information particularly this Authority and the Individual book as this book offers you rich info and knowledge. Of course the data in this book hundred % guarantees there is no doubt in it you know.

Christian Fowler:

Information is provisions for folks to get better life, information these days can get by anyone at everywhere. The information can be a expertise or any news even a concern. What people must be consider any time those information which is within the former life are difficult to be find than now could be taking seriously which one works to believe or which one the particular resource are convinced. If you receive the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Authority and the Individual as your daily resource information.

David Black:

Beside this Authority and the Individual in your phone, it could possibly give you a way to get more close to the new knowledge or information. The information and the knowledge you are going to got here is fresh from your oven so don't always be worry if you feel like an previous people live in narrow small town. It is good thing to have Authority and the Individual because this book offers to your account readable information. Do you often have book but you rarely get what it's facts concerning. Oh come on, that will not happen if you have this inside your hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss that? Find this book in addition to read it from

right now!

Richard Harden:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book has been rare? Why so many issue for the book? But any people feel that they enjoy intended for reading. Some people likes reading, not only science book but novel and Authority and the Individual or even others sources were given expertise for you. After you know how the good a book, you feel would like to read more and more. Science guide was created for teacher or perhaps students especially. Those publications are helping them to put their knowledge. In various other case, beside science book, any other book likes Authority and the Individual to make your spare time considerably more colorful. Many types of book like this.
