"No matter how proficient, companies who fail to understand and apply Block's concepts risk operating at the vendor level with their clients rather than at the partner level-a potentially mortal risk in an increasingly strategic marketplace." (Fred Lamparter, director of worldwide training, Ogilvy & Mather Worldwide)

"As we encourage our IT professionals to pursue continuous learning, this 'Fieldbook' will be added to their skill-building toolkit. We've used Block's Flawless Consulting guidelines to define the basic consulting skills program." (Cassandra A. Matthews, vice president, Information Technology and CIO, PECO Energy Company)

"When it comes to prioritizing my reading, Peter Block is second only to the sports section. In this book, Peter provides different points of view and stories that plunge deeply into the human and organizational experience." (Paul Anderson, convener, Northern California School for Managing and Leading Change)

"Peter's work always challenges me to think about things in new ways and pushes me to take risks I might not have had the courage for otherwise. This long awaited companion to Flawless Consulting is no exception." (Jennifer Powell, human resources manager, Aetna USHealthcare)

"Peter Block and his friends have produced an indispensable companion to Flawless Consulting. Providing help to others is no easy task, but these philosophical, therapeutic, and artistic essays bring to life the spirit and hope of change practitioners everywhere. Ultimately, they deliver practical insights to the consulting craft." (Christopher G. Worley, director, MSOD Program, Pepperdine University)

"If you're new to consulting, or if you need reinforcement that relationships are the heart of successful consulting, read this book. More experienced professionals will find some real gems along the way like Peter's Twelve Exits. And where else will you find Sufi wisdom, Bertrand Russell, and Marvin Weisbord all under one roof?" (Rick Maurer, author, Beyond the Wall of Resistance and Building Capacity for Change Sourcebook)

"In Peter's characteristically accessible style, this complement to the recently revised Flawless Consulting skillfully challenges consultants to learn what moves us towards more accountability and to discover what releases the commitment and passion inherent to the experience of being human." (Gordon C. Brooks, MSOD program administrator, The Graziadio School of Business and Management, Pepperdine University)

"This book is a must read for anyone consulting or considering consulting. Peter has once again broken new ground with the Flawless Consulting Fieldbook and Companion." (Steve Gibbons, past president, The Association for Quality and Participation)

From the Inside Flap

A friend indeed! In this time of free agency, outsourcing, and cross-functional work teams, consulting has become a part of everyone's job. Plus, we live in an era in which we are forced to hire professionals to provide the help we used to seek from friends. Some of this need for instant expertise is for reassurance; some is just that we do not have time to learn it ourselves. So, despite all the ambivalence surrounding consulting, it has grown into big business and generally infiltrated our lives. The intent of this book is:

- To support the integrity of your expertise
- To change your mind about how you interpret your own consulting experience
- To broaden your way of thinking
- To bring a manageable dose of therapy and art, philosophy and literature into your thoughts about consulting, and
- To do it in a comforting and simple way

Enjoy this book, let it accompany you into the field, and use it as encouragement for writing your own story, which may be the point of it all.
