Proverbs-Ecclesiastes: Smyth & Helwys Bible Commentary (Book & CD-ROM) By Milton P. Horne

Drawing from the most recent scholarly studies in the books of Proverbs and Ecclesiastes, these commentaries incorporate a reading of the books with a view toward connectivity and theological reflection. In addition to the imaginative artwork used for illustration, readers will find a broad appeal to contemporary literature and authors as touchstones for applied reflection. Because of its use of universal concepts and images and the absence of references to the particularistic appeal to ancient Israel's nationalistic story, these books from the wisdom literature of the Hebrew Bible may be some of the most relevant Biblical writing for the contemporary setting. For this reason readers are invited to recontextualize, through the perspectives of contemporary literatures, the wise council of Israel's ancient sages.

Editorial Review

Review

This commentary of Proverbs and Ecclesiastes provides a balanced examination of two of the primary collections of wisdom from ancient Israel and early Judaism. What is especially helpful are the succinct introductions to each of these two books that examines the various options for viewing them within sapiential and historical contexts. -- Leo Perdue "Heidelberg University"

Users Review

From reader reviews:

Victor Shepard:

What do you concerning book? It is not important with you? Or just adding material when you want something to explain what the ones you have problem? How about your spare time? Or are you busy person? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every person has many questions above. They must answer that question simply because just their can do that. It said that about book. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need this Proverbs-Ecclesiastes: Smyth & Helwys Bible Commentary (Book & CD-ROM) to read.

Leon Moses:

Nowadays reading books become more than want or need but also become a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge even the information inside the book this improve your knowledge and information. The information you get based on what kind of e-book you read, if you want send more knowledge just go with schooling books but if you want truly feel happy read one using theme for entertaining including comic or novel. The actual Proverbs-Ecclesiastes: Smyth & Helwys Bible Commentary (Book & CD-ROM) is kind of reserve which is giving the reader unstable experience.
