Editorial Review

Review

. . . the selections go much deeper than the standard collection of the best-known speeches . . . in Woodruff's work I see a clear thread going through important passages and making them accessible to the reader.--
Alfonso Gómez-Lobo, Georgetown University

This text is a very readable, modern, American English translation. It remains true to the original Greek. The introductory materials are useful, sane, and meet the needs of a wide range of undergraduates. Maps are easy to read and very useful.--Marie T. Gingras, University of Colorado

About the Author

Paul Woodruff is Professor of Philosophy, University of Texas at Austin.
