Editorial Review

About the Author

Bestselling author Jessica Wood is a hopeless romantic at heart. She currently lives in San Francisco, a city that she loves. To her, there's something seductively romantic about the Golden Gate Bridge, the steep rolling hills of the city streets, the cable cars, and the Victorian-style architecture. She loves traveling internationally, baking and cooking like they're competitive sports, making ceramics, and watching tons of TV. And it goes without saying, she loves books--they're like old and dear friends who have always been there to make her laugh and make her cry. Personalized autographed paperbacks of her full-length novels are available on her website: <http://jessicawoodauthor.com/signedpaperbacks/>.
