Get Print Book

Every red-blooded motorcyclist dreams of making the Big Trip--the Adventure Motorcycling Handbook is the comprehensive manual to make that idea a reality. Timbuktu to Kathmandu or Patagonia to Mongolia--it's all here. Expanded by 100 pages, this new edition includes: Practical information, essential documentation, ten overland machines rated, preparation and gear for riding in or across the countries of the developing world (the AM Zone) as well as dealing with culture shock, borders, robbery, medical emergencies, accidents, shipping, navigation, wild camping, highway and off-road riding, fault diagnosis plus filming and also overlanding on quads. Trans-continental route outlines Across Africa, Asia and Latin America. Improved mapping shows overland routes. Tales from the Saddle Spoke-bending moto adventures from the earliest two-wheel pioneers to contemporary first-hand accounts from India, Morocco, South America, Pakistan, and Siberia.

Editorial Review

Review

‘The first thing we did was buy the Adventure Motorcycling Handbook’

Ewan McGregor, *The Long Way Round*

‘Biker’s bible, packed with practical information.’

THE?TRAVELLER (UK)

‘Whether you’re just dreaming of an adventure, or you’ve already started planning, you must read this book ... Chris Scott’s a veteran of serious travel’

Bike magazine (UK)

‘An absolute must for those who are thinking about seeing the world on their bike.’

Inside Motorcycles (Canada)

‘As essential as a set of tyre levers, and as dependable as the sunshine in the Sahara. Highly recommended.’

Trail Bike Magazine (UK)

‘Invaluable.’

THE?TIMES (UK)

‘Does for adventure riding books what “Saving Private Ryan” does for war movies.’

Motorcycle Consumer News (USA)

I remember the first time I met Chris Scott, on a cold Colorado morning near Durango. He had decided to fly all the way to the US to buy an inflatable kayak, a plan that would save him nearly the cost of the trip in taxes and shipping. I do suspect the decision was made partially for practical reasons, but I think Chris just wanted to get lost for a weekend- in reality, Chris has been trying to get lost his entire life. As a traveler and editor, Chris is infinitely likable, and not because of his extensive experience (which he has in spades), but because of his honest, genuine and simple approach to equipment, vehicles and travel. Even a casual review of Chris' travels show a fantastic diversity and infinite practicality. From traveling in Australia by BMW motorcycle to bouncing around Morocco in a Mercedes sedan, Chris has made a lifetime emphasis on the pursuit of approachable adventuring. It is that emphasis that makes the Adventure Motorcycling Handbook so incredibly valuable. It is not a glossy sales brochure for Triumph or BMW, but a gritty, honest, hard won review of what actually works and what you really need to ride a motorcycle overland.

The Adventure Motorcycle Handbook follows a logical review of pursuing moto travel, starting with planning and preparation before selecting a bike and then ultimately living on the road and selecting individual routes. Chris does a great job of interjecting the thoughts, musings and opinions of other experts, all lending to a broader perspective and more interesting read. The book also includes some important updates regarding new models, current route conditions and improved technologies for equipment. While the book is absolutely a definitive guide to preparing for a round-the-world expedition or even a short jaunt to

Baja, it most importantly serves as an inspiration to the reader, an impetus to venture further.

- Scott Brady, Overland International
