MindStar By Michael A. Aquino Ph.D.

MindStar explores the mystery of the human soul: what it is, how it can be detected, and how it can be creatively and productively activated. Included is a historical survey of misapprehensions, misuses, and outright rejections of this central, crucial metaphysical core of human existence.

The soul, or "MindStar" as redefined herein, is the key to individual conscious immortality, which is addressed and prescribed clearly and coherently.

My companion book *MindWar* details the "thought architecture" which is subject to natural and artificial manipulation: subconscious/pattern and conscious/algorithmic thinking. Specifically excluded was conceptual thought, which, being metaphysical, is not subject to such manipulation. This thought comprises the emanations of the MindStar, which this book now examines.

The result of an incarnated lifetime of experience, research, and exploration by the author, *MindStar* speaks directly and candidly to the questions which have previously been evaded, misarticulated, or condemned as "sacrilegious" or "unscientific" by those fearful of what they might find within themselves.

In short, *MindStar* is, finally, an "owner's manual" for the ultimate, omnipotent, and immortal **you**.

Editorial Review

About the Author

Non-fictional books by Dr. Aquino generally fall into three categories: historical, practical, and initiatory.

Historical works include *The Neutron Bomb* (a study of the domestic and foreign politics surrounding the proposed NATO introduction of that weapon in 1977-8) and *Extreme Prejudice* (a documentary exposé of the 1986-7 “Satanic ritual abuse” scam at the Presidio of San Francisco).

Two other [2-volume] books - *The Church of Satan* and *The Temple of Set* - are not only histories but initiatory analyses as well, examining the philosophical and metaphysical concepts which define and energize those religious institutions.

As one of the U.S. Army’s extremely rare Political-Military Affairs Officers [with credentials in Strategic & Space Intelligence, Psychological Operations, Special Forces, Civil Affairs, Defense Attaché, and Foreign Area Officer], Dr. Aquino has also introduced the practical application of “MindWar” as a methodology for reducing, if not eliminating contemporary humanity’s obsession with and reliance upon murderous, destructive conventional war (PhysWar”). His 2013 book *MindWar* introduces this solution and outlines its successive stages of implementation.

Finally a purely-initiatory work, *MindStar*, addresses the purely-metaphysical “soul” of human thought which *MindWar* [as a practical curriculum] omits, confronting the elusive questions of human divinity and immortality.

Unsurprisingly Dr. Aquino’s fictional ventures - *We Break the Sword*, *FireForce*, and *Morlindalë* (“authored” by The One Ring) - all draw upon extensive political and philosophical principles in their telling. Both *FireForce* and *Morlindalë* utilize the literary technique of parody in a serious, rather than humorous exploration and extrapolation of the original source.

Additionally Dr. Aquino has recovered and Edited a collection of childhood poems by his mother, Betty Ford: *Pegasus in Pinfeathers*.

All of these books are available on Amazon in both printed paperback and Kindle ebook editions.

Users Review

From reader reviews:

Todd Quesinberry:

The book MindStar make one feel enjoy for your spare time. You need to use to make your capable much more increase. Book can to be your best friend when you getting pressure or having big problem along with your subject. If you can make studying a book MindStar being your habit, you can get more advantages, like add your personal capable, increase your knowledge about some or all subjects. You could know everything if you like open and read a publication MindStar. Kinds of book are a lot of. It means that, science book or encyclopedia or others. So , how do you think about this reserve?

Wanda Leopard:

Exactly why? Because this MindStar is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will surprise you with the secret this inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content within easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of benefits than the other book have got such as help improving your expertise and your critical thinking technique. So , still want to hold up having that book? If I have been you I will go to the guide store hurriedly.

Jonathan Ownby:

As we know that book is important thing to add our understanding for everything. By a reserve we can know everything we wish. A book is a group of written, printed, illustrated or maybe blank sheet. Every year ended up being exactly added. This publication MindStar was filled about science. Spend your extra time to add your knowledge about your technology competence. Some people has distinct feel when they reading any book. If you know how big good thing about a book, you can truly feel enjoy to read a guide. In the modern era like now, many ways to get book which you wanted.

Modesto Delarosa:

Reading a book make you to get more knowledge from this. You can take knowledge and information from a book. Book is created or printed or highlighted from each source in which filled update of news. In this modern era like at this point, many ways to get information are available for a person. From media social such as newspaper, magazines, science publication, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Do you want to spend your spare time to open your book? Or just seeking the MindStar when you necessary it?
