Fire in the Lake: The Vietnamese and the Americans in Vietnam By Frances FitzGerald

This landmark work, based on Frances FitzGerald's own research and travels, takes us inside Vietnam-into the traditional, ancestor-worshipping villages and the corrupt crowded cities, into the conflicts between Communists and anti-Communists, Catholics and Buddhists, generals More...

and monks -and reveals the country as seen through Vietnamese eyes. With a clarity and authority unrivaled by any book before it or since, Fire in the Lake shows how America utterly and tragically misinterpreted the realities of Vietnam.

Editorial Review

From Library Journal

Fitzgerald's Pulitzer Prize- and National Book Award-winning study of the Vietnam War remains essential reading 30 years after its initial publication. Fitzgerald's analysis differs from combat histories in that it presents the Vietnamese and Americans from a sociological point of view. This edition contains a new afterword in which Fitzgerald updates the story three decades after the American withdrawal.

Copyright 2002 Reed Business Information, Inc.

From the Inside Flap

This is the prize winning work of the tragic collision between two cultures - the Vietnamese and the American.
