Quest for Fire By J. H. Rosny

The Future Began 80,000 Years Ago --- The thrilling science fantasy adventure which re-creates, through the mists of time, our unthinkable past. Most of the tribe are dead or dying after the battle. But worse, they have been robbed of their most scared possession - FIRE! So three young warriors must brave a world of untamed savagery during their search for survival itself in Quest for Fire. Now an extraordinary 20th Century-Fox motion picture, filmed on three continents, for which Desmond Morris and Anthony Burgess created new forms of primitive gesture and language.

Editorial Review

Users Review

From reader reviews:

Cheryl Dawkins:

Here thing why this specific Quest for Fire are different and trusted to be yours. First of all reading through a book is good nevertheless it depends in the content of it which is the content is as yummy as food or not. Quest for Fire giving you information deeper and in different ways, you can find any book out there but there is no book that similar with Quest for Fire. It gives you thrill examining journey, its open up your own personal eyes about the thing that will happened in the world which is probably can be happened around you. You can bring everywhere like in park, café, or even in your technique home by train. For anyone who is having difficulties in bringing the paper book maybe the form of Quest for Fire in e-book can be your option.

Donna Barragan:

Information is provisions for folks to get better life, information today can get by anyone in everywhere. The information can be a information or any news even a concern. What people must be consider whenever those information which is within the former life are challenging be find than now is taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen inside you if you take Quest for Fire as your daily resource information.

Carol Smith:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book has been rare? Why so many question for the book? But almost any people feel that they enjoy to get reading. Some people likes examining, not only science book but in addition novel and Quest for Fire or maybe others sources were given expertise for you. After you know how the truly great a book, you feel wish to read more and more. Science reserve was created for teacher or even students especially. Those ebooks are helping them to add their knowledge. In other case, beside science guide, any other book likes Quest for Fire to make your spare time more colorful. Many types of book like here.

Michael Mitchell:

What is your hobby? Have you heard in which question when you got learners? We believe that that issue was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person including reading or as examining become their hobby. You must know that reading is very important along with book as to be the factor. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You get good news or update in relation to

something by book. Many kinds of books that can you decide to try be your object. One of them is actually Quest for Fire.
