Parkinson's Disease (Fast Facts) By Christopher G. Clough, K. Ray Chaudhuri, Kapil D. Sethi

Parkinson's disease is one of the most distressing and disabling illnesses of later life, but effective management and support of both patients and carers can offer enormous improvement in quality of life. This second edition of "Fast Facts: Parkinson's Disease" is a thorough update on the original text. New sections include welding-induced parkinsonism, non-motor symptoms, transcranial ultrasound scanning, sleep disorders and autonomic problems. The book also covers the most up-to-date drug treatments, recent developments in the genetics of the disease and the latest NICE guidelines (introduced in 2006) for the management of the disease. This fully revised handbook will help all doctors, nurses and therapists to provide the best possible care for their patients with Parkinson's disease or related disorders.

Editorial Review

Users Review

From reader reviews:

John Townsend:

Do you one of people who can't read satisfying if the sentence chained inside the straightway, hold on guys this specific aren't like that. This Parkinson's Disease (Fast Facts) book is readable simply by you who hate those straight word style. You will find the data here are arrange for enjoyable reading experience without leaving also decrease the knowledge that want to provide to you. The writer of Parkinson's Disease (Fast Facts) content conveys prospect easily to understand by many people. The printed and e-book are not different in the information but it just different such as it. So , do you nevertheless thinking Parkinson's Disease (Fast Facts) is not loveable to be your top record reading book?

James Ellis:

Precisely why? Because this Parkinson's Disease (Fast Facts) is an unordinary book that the inside of the book waiting for you to snap it but latter it will surprise you with the secret the item inside. Reading this book beside it was fantastic author who also write the book in such amazing way makes the content within easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This unique book will give you a lot of gains than the other book possess such as help improving your skill and your critical thinking technique. So , still want to hold up having that book? If I have been you I will go to the publication store hurriedly.

Crystal Scott:

Your reading 6th sense will not betray an individual, why because this Parkinson's Disease (Fast Facts) publication written by well-known writer whose to say well how to make book that can be understand by anyone who all read the book. Written within good manner for you, still dripping wet every ideas and creating skill only for eliminate your current hunger then you still hesitation Parkinson's Disease (Fast Facts) as good book not simply by the cover but also by the content. This is one publication that can break don't judge book by its include, so do you still needing another sixth sense to pick that!? Oh come on your reading through sixth sense already alerted you so why you have to listening to yet another sixth sense.

Mary Jacobs:

In this era which is the greater individual or who has ability in doing something more are more precious than other. Do you want to become among it? It is just simple solution to have that. What you have to do is just spending your time very little but quite enough to have a look at some books. Among the books in the top

record in your reading list is actually Parkinson's Disease (Fast Facts). This book and that is qualified as The Hungry Slopes can get you closer in becoming precious person. By looking upward and review this guide you can get many advantages.
