## **Editorial Review**

### **Review**

"Activate is an extremely competent and professionally built new KS3 resource, written and tailored to the 2014 programme of study. It has been designed to engage students' interest in science from Year 7 and take them through to GCSE success, and it has that 'no stone left unturned' reliability factor to it that will fill you with confidence." Teach Secondary magazine "Delivers the curriculum in a fun and interesting way and offers good support for students of all abilities. A great resource for Key Stage 3!" Dr Adam Naylor, Science Teacher, Didcot Girls' School "After having looked at all the schemes available for the new KS3 National Curriculum, Activate has by far the best thought out assessment package. Whoever thought this out needs a good pat on the back. In the end there was no other choice but Activate for our students." Mat Power, Head of Science, Holy Cross Catholic High School, Lancashire

## **Users Review**

### **From reader reviews:**

#### **Edward Baca:**

In this 21st millennium, people become competitive in each way. By being competitive currently, people have to do something to make all of them survive, being in the middle of the particular crowded place and notice through surrounding.
