American Corrections: Theory, Research, Policy, and Practice By Matt DeLisi, Peter J. Conis

The need for corrections officers is projected to increase by 16% by 2016 (Bureau of Labor Statistics). This is great news for students who want to work within a correctional facility as there will be ample employment opportunity. Drs. DeLisi and Conis provide their unparalleled research expertise/productivity and nearly 40 years of combined criminal justice practitioner experience to make *American Corrections: Theory, Research, Policy, and Practice, Second Edition* the ideal introductory text for the corrections course. They use a straightforward writing style that is scholarly, engaging, and fun. Updated throughout, it contains both classic and cutting-edge contemporary data on correctional topics drawing from the fields of criminology, criminal justice, sociology, psychology, government, and public policy. The text is broken down into four parts, starting with an overview of the correctional system, including the history and philosophy of corrections. It progresses to discuss the management of offender risk and covers the ways in which the correctional system classifies offenders according to the risks they exemplify. Part III delves into the prison system and includes discussions on the journey of prisoners, from prison, to parole, and reentry into society. This comprehensive introduction concludes with an examination of the special populations within the correctional system, including juveniles, women, and those sentenced to capital punishment and civil commitment. Key Features of the Revised Second Edition: -Now available in paperback! -Revised to be more sociologically-focused, this Second Edition includes boxes throughout highlighting the effects on community. -Provides an increased focus on gender, race, and immigration issues. -Contains more content discussing the philosophy of corrections, encouraging your students to see the big-picture and think critically of the subject. -Every new copy includes an access code to the accompanying student companion website featuring a variety of interactive study aids.
