### Love Bites: A Sugar City Novella By Ophelia London

Sharona Blaire is only in Australia for a business audit, but she's determined to make the most of her one free night. So when she spills her drink on a handsome stranger and they end up flirting, she does something completely out of character—she kisses him. But the prospect of taking it further totally freaks her out...almost as much as discovering the next morning that the man she's auditing is the sexy, tanned stranger she left with zero explanation.

An audit during his crew's most important expedition yet is a complication marine biologist Jeff Cruz doesn't need—especially when the auditor is the gorgeous, fascinating woman from the night before. Out at sea with nowhere to run, he's forced to admit Sharona draws him in like a shark to blood. But Jeff's one passion is his job, and nothing—not even love—will get its hooks in him...

Each book in the Sugar City series is a standalone, full-length story that can be enjoyed out of order.

Book #2 Kissing Her Crush
