## Vampire Vendetta By Mr. Andrew John Robinson

Rosemary was a typical sixteen-year-old girl - rebellious. She was also now a vampire, having been turned by a family friend. When her dad ships her off to an exclusive school that claims to be able to cure such teens, her adventure begins. She's kidnapped by a team from the Anti-Vamp League, and it's a race against time to see if she can escape, if her friends can find her, or if she'll suffer the ultimate vamp death: blood poisoning at the hands of her captors if they don't get what they want from the President!
