## The Ultimate Book of Useless Information By Noel Botham

Hot on the heels of the first "Book of Useless Information", the Official Useless Information Society brings you another compendium of everything you never needed to know. Were you aware, for example, that dynamite contains monkey nuts as an ingredient? Or what percentage of the world's population is drunk at any one time? The vital statistics of a groundhog? Or the odds of being killed by a tornado? If the irredeemably pointless interests you, then this book is for you.
