**Wizardology: The Book of the Secrets of Merlin (Ologies)** By Master Merlin

**Aspiring wizards can tune in to the age-old wisdom of Merlin with this dazzling compendium of all things magical — unveiling novelty elements throughout.**

For any apprentice determined to learn the arcane arts of wizardry, could there be a better teacher than . . . Merlin himself? Originally discovered in 1588, this remarkable text by history's most respected wizard is revealed to the world for the very first time. Lavishly illustrated by four delicate artists, WIZARDOLOGY's intricate design even conceals a series of hidden symbols that spell out a secret message when their code is deciphered — if the reader is clever enough to find them.

Among WIZARDOLOGY's special features are:

- a glittering crystal ball-like jewel on the front cover
- a world map showing locations of wizards around the globe
- tactile samples of a "fairy flag" with one wish remaining and a phoenix feather to aid in flying charms
- booklets explaining the proper use of spells, familiars, and potions
- a removable dragon pendant allowing the user to dowse for mythical beasts
- a pack of eight removable fortune-telling cards
- a 48-page mini book of divination on the final spread

### Editorial Review

From [Booklist](#)

Gr. 5--8. "A WARNING: Wizardology is not a subject to be pottered with. Heed the example of Dr. Faustus . . ." So opens this timely, elaborately packaged companion to *Dragonology* (2003). Students of the magical arts courageous enough to read on will find eye-opening disquisitions on wizardly garb and wands, types of spells, the care and feeding of familiars, uses for gryphon earwax and other substances, plus picture galleries of magical beasts and renowned wizards. In addition, there are pull tabs with "magical" effects, attached booklets, a phoenix's feather, a scrap of Fairy Flag, and more--all sandwiched between "crystal" gems embedded in the front and rear covers. Four illustrators contribute elaborately detailed creatures, symbols, and views of a wizard's workshop to this surprisingly sturdy production. Be bold. *John Peters*

From the Publisher

WIZARDOLOGY, A Book of the Secrets of Merlin, is a remarkable new find for devotees of the bestselling DRAGONOLOGY and EGYPTOLOGY and Apprentices seeking the Power of Wizards for Good Purpose. WIZARDOLOGY offers valuable spells, charms, recipes, arcane wisdom, and even helpful tips: "For the chasing away of boils, buboes, pustules and unsightly lumps.." But, Apprentices, beware and take heed: "Wizardology is not a subject to be pottered with. Heed the example of Dr. Faustus, who made an ill-advised pact with a rather nasty spirit. He got everything he wanted but had to pay with his soul."

From the Inside Flap

Publisher's Note: Wizardologie having been originallie printed in Elizabethan England, was reportedlie rediscovered in a secret Compartment in an ancient Chest. The Publisher hath made a Facsimile thereof for the Amusement and Edification of the Publicke, but hath found that certaine of the Spellinges and the Formes of Language have had to be put into a more modern Usage, that it be made simpler to Peruse and Comprehend. Else, the entire Book would be styled alike to this Note, and possiblie a little hard to digest.

### Users Review

**From reader reviews:**

**Kerry Diaz:**

Book is actually written, printed, or outlined for everything. You can recognize everything you want by a publication. Book has a different type. We all know that that book is important point to bring us around the world. Next to that you can your reading talent was fluently.
