### **Editorial Review**

From Publishers Weekly

Over 150 of the Bard's monologues are reprinted and explained for the aspiring actor or director in *Speak the Speech! Shakespeare's Monologues Illuminated*. The knowledgeable and breezy commentary ("Dial Lady M for Murder," reads one section heading) by acting coach Rhona Silverbush and playwright Sami Plotkin offers a brief context for each monologue, explains unfamiliar vocabulary and expressions, examines the relationship between mood and meter and even reminds readers what words to elide or expand. Boxed asides offer historical background and describe literary controversies over various lines and passages. There's also a general discussion of rhetorical elements.

From Library Journal

This handbook provides easy access to information needed by actors or students preparing a monolog drawn from Shakespeare. Acting coach Silverbush and actor Plotkin offer synopses of Shakespeare's plays and cover his use of iambic pentameter, poetic and rhetorical elements, and historical and social context. They also include the full, modernized text of 150 monologs, arranged by genre. The monologs are identified by play title, act and scene, name of character speaking, character's gender and age range, and frequency of use in auditions. Brief introductions place the monologs in context, and extensive glosses of unfamiliar vocabulary are followed by an analysis aimed at helping an actor interpret the text. No other volume treating Shakespeare's monologs is as complete as this one. Recommended for public and academic libraries. Shana C. Fair, Ohio Univ. Lib., Zanesville
