By Dr. Seuss - The Tooth Book (Bright & Early Board Books(TM)) (5/25/03)

By Dr. Seuss

Format: Hardcover Adults can quickly forget that children spend much of their time from ages 2 through 10 either getting teeth or losing their baby teeth. It is seldom a pleasant experience (except perhaps if a generous tooth fairy is involved), and must make a child feel like it will never end. Dr. Seuss (writing under his pen name of Theo. LeSieg, an anagram of Geisel) has created the world's best book for helping children learn about teeth, teething, and how to read. What a great gift for each generation of youngsters! The book is conveniently organized into the kind of questions a reporter would ask.
