The Manipulation of Literature (Routledge Revivals): Studies in Literary Translation From Routledge

First published in 1985, the essays in this edited collection offer a representative sample of the descriptive and systematic approach to the study of literary translation. The book is a reflection of the theoretical thinking and practical research carried out by an international group of scholars who share a common standpoint. They argue the need for a rigorous scientific approach the phenomena of translation – one of the most significant branches of Comparative Literature – and regard it as essential to link the study of particular translated texts with a broader methodological position. Considering both broadly theoretical topics and particular cases and traditions, this volume will appeal to a wide range of students and scholars across disciplines.
