Unexpectedly His (Smart Cupid) By Maggie Kelley

By-the-book Marianne McBride wants to prove she's more than a computer geek in a pair of horn-rimmed glasses. But how did she end up hiding in a cake, waiting to sing "Happy Birthday" to Nick Wright, a sexy and arrogant serial-dater? Not exactly part of her plan. Especially when she finds herself kissing the birthday boy, and then running like hell...

Nick falls for no woman. No strings, no commitments, and no relationships. Not even with the sweetly curvaceous bombshell from his birthday. But then he's hit by a bombshell of his own. He needs to find the perfect faux fiancée, or kiss his key to the executive washroom goodbye. Fortunately, his matchmaker sister has the perfect girl in mind.

Now Nick and Marianne have to pretend they're in love for six weeks. No dating. No sex.

And definitely no acting on the wickedly-hot chemistry that could ruin everything...

Each book in the Smart Cupid series is a standalone story that can be enjoyed out of order.

Series Order:

Book #1 Breaking the Bachelor

Book #2 Unexpectedly His

Book #3 One Little Kiss
