## Editorial Review

From Publishers Weekly

The fast-paced and compelling 12th book in Butcher's bestselling series (after 2009's *Turn Coat*) is aptly titled. Beginning with the revelation that wizard detective Harry Dresden has a daughter, Butcher throws one high-stakes curveball after another at his hero. Harry's ex-girlfriend, Susan Rodriguez, discloses young Maggie's existence after vampire Red Court duchess Arianna Ortega kidnaps the child. Ortega holds Harry responsible for the death of her husband and is planning to offer Maggie as a human sacrifice. With a fragile peace in place between the Red Court and the White Council of wizards, Harry is unable to count on them for support in his rescue mission, and he must compromise almost everything he believes in to save his daughter. Butcher is deft at relieving some of the tension and grimness with bursts of gallows humor that keep readers coming back for more. (*Apr.*)

**\*Starred Review\*** The twelfth Dresden Files novel (following *Turncoat*, 2009) finds the licensed PI and professional wizard Harry Dresden confronted with some shocking news: he has an eight-year-old daughter, and she's been kidnapped by Red Court vampires. Harry is willing to risk everything to rescue her, even if it means turning his own life upside down. At more than 500 pages, this is one of the longest books in the series, but it doesn't move slowly; in fact, the entire novel takes place over only a few days as Harry races to rescue his daughter before she is sacrificed in a powerful black-magic rite. The taut and sometimes twisty plot is full of surprises and changes for Harry and his friends and family. *Changes* is a compelling installment in what continues to be an outstanding series. All the regulars (including cop Murphy; Harry's half brother, vampire Thomas; Sanya the Knight; and Harry's apprentice, Molly) are featured, as they, too, risk everything to save Harry's daughter. After the cliff-hanger ending, readers will be clamoring for the next book. A can't-miss entry in one of the best urban-fantasy series currently being published. --Jessica Moyer

Review

### Praise for the Dresden Files

"Think *Buffy the Vampire Slayer* starring Philip Marlowe."—*Entertainment Weekly*

"Fans of Laurell K. Hamilton and Tanya Huff will love this series."—*Midwest Book Review*

"Superlative."—*Publishers Weekly* (starred review)

"One of the most enjoyable marriages of the fantasy and mystery genres on the shelves."—*Cinescape*

"Butcher...spins an excellent noirish detective yarn in a well-crafted, supernaturally-charged setting. The supporting cast is again fantastic, and Harry's wit continues to fly in the face of a peril-fraught plot."—*Booklist* (starred review)

"What's not to like about this series?...It takes the best elements of urban fantasy, mixes it with some good old-fashioned noir mystery, tosses in a dash of romance and a lot of high-octane action, shakes, stirs, and serves."—*SF Site*

"A tricky plot complete with against-the-clock pacing, firefights, explosions, and plenty of magic. Longtime

series fans as well as newcomers drawn by the SciFi Channel's TV series based on the novels should find this supernatural mystery a real winner."—*Library Journal*

"What would you get if you crossed Spenser with Merlin? Probably you would come up with someone very like Harry Dresden, wizard, tough guy and star of [the Dresden Files]."—*The Washington Times*
