Sex With My Wife's Lovers: She Lends Me Her Ladies: Book One By Reese Cantwell

When my wife told me she'd had an affair on a business trip, I listened not knowing what to think. Then she told me it was with a woman, her young workmate, Kellie. She still loved me, still wanted me as her husband, just wanted to add Kellie as her lover. She wanted nothing else to change. Then she told me that she would share Kellie with me.

That was the beginning. She then brought Lucy, Tricia and Megan home as her lovers, each time sharing them with me. Just what would you do? I'll bet just what I did. Oh, did I tell you that Megan had been a gymnast in high school? Oh, what that young lady could do.
