Dubious Justice - #1 British Detectives

Calculated Justice - #2 Action and Adventure

Twisted Justice - #1 Women Sleuths

Blind Justice - introduction novella to the series.

Prime Justice - New release

Justice at Christmas - a 10,000 word short story.

Mortal Justice - 15,000 word short story.

For eight long years, Detective Inspector Lorne Simpkins has tracked the vicious criminal known as The Unicorn. But the killer has frustrated MI6 at every turn and remained successful at Impeding Justice.

When Lorne is targeted in a trap that results in the death of her partner, the tragedy shakes her confidence to the core. Before she has time to recoup, her teenage daughter is kidnapped. More than Lorne's professional reputation rests on her bringing The Unicorn to justice.

Some praise from satisfied thriller readers.

Shell, Lincoln... This was a fast paced story full of suspense and I am just about

to buy the next book as I can't wait to see what happens. I would definitely recommend this book!

Knightmare said... I read this book practically in one sitting and then went straight on to read the sequel. It's a fast-paced story with a terrifying villain and a great heroine. I love books with strong female characters and Lorne Simpkins is one of the best I've come across - no matter what's thrown at her, she keeps on fighting. The book has the feel of an English version of 24 with a female Jack Bauer.

D. Thompson said...All in all, an enjoyable thriller and I did immediately download the sequel, so that, in itself, is sufficient recommendation.

Irene said...Was not sure what I expected but loved this book it was fast paced from page one and did not let up, in fact i only downloaded it yesterday lunchtime and could not put it down I stayed up till 12.30 this morning to finish it, the characters were excellent even the bad guy was portrayed in such a way as to send shivers down the spine. Cannot wait for the sequel to see what happens next.

Editorial Review

Review

From a TOP 500 REVIEWER:

It has a really great pace to it, and I felt that the story was quite believable throughout. I have seen first hand some of the less pleasant aspects involved in the modern trade in human life, and it can be far worse than is portrayed within this book.

A Fresh New Voice in Crime Fiction, This is a great, fast-paced thriller dealing with some hard-hitting subjects. I enjoyed both Lorne and the Unicorn as characters. The Unicorn, especially, is a great, well-drawn villain. The story hits hard and doesn't let up until the end and I look forward to reading the sequel.
Michael Wallace The Righteous.

This had me gripped from page one. It was a high octane rocket fuel charged explosion of a novel. I couldn't put it down. The characters were believable and I identified with the lead female. It was quite a long story but I didn't feel it flagged in any way. Each time I felt we were coming to some sort of conclusion the story took me up another twisty turny lane!

Thank you Mel for an amazing ride, I am eager to read the next one now!--Wistfulskimmie said.

From the Author

I hope you enjoy the 'Justice' series, you can find out more about me at melcomley.blogspot.com/

About the Author

New York Times, USA Today, Amazon Top 20 bestselling author, iBooks top 5 bestselling and #2 bestselling author on Barnes and Noble. I am a British author who moved to France in 2002, and that's when I turned my hobby into a career. I share my home with two crazy dogs that like nothing better than to drag their masterful leader (that's me) around the village. When I'm not pounding the keys of my computer keyboard I enjoy DIY, reading, gardening and painting.

Users Review
