The 2nd book in the That Boy series by USA Today Bestselling Author, Jillian Dodd.

The gorgeous engagement ring on my finger mimics my happiness.  
I feel so sparkly, glittery, and full of promise, because I absolutely know he's that boy.  
The boy I want to marry. My prince. My happily ever after.

But then our pastor starts asking lots of questions.  
His parents say I haven't dealt with my past.  
I have horrible wedding disaster dreams.  
I can't find the perfect dress.  
I have to manipulate him to get my way.  
An old boyfriend asks me to run away with him.  
My best friend says I'm going to ruin everything.  
And forever starts to sound like a really long time.

Which totally freaks me out and makes me question everything I know.

Should best friends get married?  
Will my past affect our relationship?  
Are my horrible dreams a warning?  
Will I ever find a dress?  
Could his sexiness be clouding my judgment?  
Am I going to ruin everything?  
Or is it just a case of cold feet?

And then I have to decide. Am I willing to give up on true love forever, or am I going to listen to my heart and marry him?

## **Editorial Review**

### **Review**

*After learning in That Boy who Jadyn really is as a woman, in That Wedding, she learns what she can become as a woman with the person she loves by her side. Jadyn's journey has her realizing that perhaps getting married doesn't mean giving up the person you are, but rather finding someone that loves you for that person and making you even better than you even dreamed you could be. How being with and loving your best friend and finding the man you are destined to be with, only makes you more of who you are because they bring out the best parts of you... if you let them. And the question is... can Jadyn let herself be loved like that? So yes, while That Wedding is more lighthearted and funny, and steamy, don't be fooled by thinking it is in any way less profound and moving in Jadyn's life journey. This book is for anyone that wants to be taken on a wonderful journey that will bring you a beautiful romance, laughs, tears, and make you fall in love with a book and its characters! Those are the best kinds of books in my opinion! - Jennifer Howell, Late Bloomer Online*

*Wedding stuff aside, it's the progression they make as a couple along with Jadyn's individual growth which form the core of the book. The wedding planning is just the conduit that leads to this growth. Did I worry Philip was ever going to say "you're too much work" and walk away? Hell no. Because he loves her! He's loved her forever and they're meant to be and Philip is awesome and....okay. Breathe. I'm stopping. - 10/10 stars from I LOVE YA FICTION*

*I absolutely loved this book. It's romantic, glittery, sexy, charming and so so dreamy. It is a fairy tale story. - Fanatic Reader*
