**Blackberry Pie Murder (A Hannah Swensen Mystery)** By Joanne Fluke

It's been a sleepy summer for the folks of Lake Eden, Minnesota. In fact, it's been a whole four months since anyone in the Swensen family has come across a dead body—a detail that just made the front page of the local paper. And that means Hannah Swensen can finally focus on her bakery. . .or can she?

Life is never really quiet for Hannah. After all, her mother's wedding is a little over a month away and guess who Delores put in charge of the planning? Yet just when Hannah believes her biggest challenge will be whether to use buttercream or fondant for the wedding cake, she accidentally hits a stranger with her cookie truck while driving down a winding country road in a raging thunderstorm. Hannah is wracked with guilt, and things get even worse when she's arrested. . .for murder! But an autopsy soon reveals the mystery man, his shirt covered in stains from blackberry pie, would have died even if Hannah hadn't hit him. Now, to clear her name, Hannah will have to follow a trail of pie crumbs to track down the identity of the deceased, find a baker who knows more about murder than how to roll out a perfect pie crust—and get herself to the church on time. . .

**Indulge In Joanne Fluke's Criminally Delicious Hannah Swensen Mysteries!**

### Editorial Review

From [Booklist](#)

Hannah Swensen, owner of the Cookie Jar in Lake Eden, Minnesota, and her family are trying to plan Hannah's mother's upcoming nuptials despite the fact that the bride is constantly changing her mind over the details. Hannah becomes further distracted after she hits a man with her car while driving in a storm and causes his death. Research into the mystery man uncovers an insidious criminal who was a threat to a local family and who had been beaten before Hannah hit him. She still does not let herself escape responsibility and tries to figure out who the man was and his purpose for being in Lake Eden. Fluke offers a new twist to the series with Hannah's upcoming trial for vehicular homicide planned for a future book. The cookie-shop owner's character gains depth with her acceptance of responsibility for a man's death, making this fifteenth in the popular series an emotionally weighty entry. But there's still room for recipes and for Hannah to move toward an overdue decision on the question of which of her two boyfriends she prefers. Readers will be eager for the next installment. --Amy Alessio

### About the Author

JOANNE FLUKE is the *New York Times* bestselling author of the Hannah Swensen mysteries, which include *Double Fudge Brownie Murder*, *Blackberry Pie Murder*, *Cinnamon Roll Murder*, and the book that started it all, *Chocolate Chip Cookie Murder*. That first installment in the series premiered as *Murder, She Baked: A Chocolate Chip Cookie Mystery* on the Hallmark Movies & Mysteries Channel. Like Hannah Swensen, Joanne Fluke was born and raised in a small town in rural Minnesota, but now lives in Southern California.
