**God's Story in 66 Verses: Understand the Entire Bible by Focusing on Just One Verse in Each Book** By Stan Guthrie

## Grasp God's Word in sixty-six easy verses

The Bible can seem like a big, intimidating book?mysterious, archaic, and often hard to understand. Written over a span of fifteen hundred years, and completed nearly two millennia ago, God's Word sometimes feels like a mishmash of stories and literary styles. How can twenty-first-century readers?like *you*?make sense of it all?

Author Stan Guthrie's answer: begin by zooming in on *one key verse* for each of the Bible's sixty-six books. Seeking to bring clarity and simplicity to the study of God's Word, Guthrie has written a concise, easy-to-digest collection of wisdom anchored by one verse for each book, from Genesis to Revelation?a verse that summarizes or lays the foundation for that book, placing it in context with the rest of the Scriptures.

Read this book, and you'll feel as if you've read the entire Bible?but you'll also yearn to continue exploring its depths and mining its riches on your own.
