The Complete Navarone 4-Book Collection: The Guns of Navarone, Force Ten From Navarone, Storm Force from Navarone, Thunderbolt from Navarone By Alistair MacLean, Sam Llewellyn

The Guns of Navarone and its three sequels, in which the same characters are sent on other wartime missions, together in one volume for the first time to mark the 50th anniversary of the original book .

THE GUNS OF NAVARONE

Mallory, Miller and Andrea are united into a lethally effective team. Their mission: to silence the impregnable guns set in the tall cliffs of Navarone. On their success or failure rests one of the most critical offensives of the Second World War.

FORCE 10 FROM NAVARONE

Almost before the last echoes of the famous guns have died away, the three Navarone heroes are parachuted into war-torn Yugoslavia to rescue a division of partisans and fulfil a secret mission, so deadly that it must be hidden even from their own allies.

STORM FORCE FROM NAVARONE

The surviving commandos are sent on a perilous journey through the Pyrenees to disable the greatest threat to the impending D-Day landings: the 'Werwolf' U-boats. But their Basque guides declare it mission impossible - D-Day is less than six days away.

THUNDERBOLT FROM NAVARONE

Summoned back to Naval HQ, Mallory, Miller and Andrea are given a final assignment: to reconnoitre the Greek island of Kynthos and destroy the German facilities developing the lethal V3 weapon. A rocket expert is to accompany them - but can he be trusted not to turn the operation into a suicide mission?

Editorial Review

Review

‘Could hardly be bettered.’ Sunday Times

‘Its strength comes from the speed of its narrative, its vivid creation of tensions and its power in handling descriptions of action.’ Evening Standard

‘Action sustained at a high pitch. From the outset there is a feeling of suspense: a problem that can only be solved by action involving danger and demanding courage ... an insistently gripping tale.’ Scotsman

About the Author

Alistair MacLean, the son of a Scots minister, was brought up in the Scottish Highlands. In 1941 he joined the Royal Navy. After the war he read English at Glasgow University and became a schoolmaster. The two and a half years he spent aboard a wartime cruiser gave him the background for HMS Ulysses, his remarkably successful first novel, published in 1955. He is now recognized as one of the outstanding popular writers of the 20th century, the author of 29 worldwide bestsellers, many of which have been filmed.

Users Review

From reader reviews:

Sean Bass:

This The Complete Navarone 4-Book Collection: The Guns of Navarone, Force Ten From Navarone, Storm Force from Navarone, Thunderbolt from Navarone are reliable for you who want to be described as a successful person, why.
