Straight Talk about Quilt Care: Display, Cleaning, and Storage of New and Antique Quilts and Needlework By Patricia Lynne Grace Cummings

Straight Talk about Quilt Care provides an overview of ways to preserve and protect quilts and other textiles to ensure their maximum longevity. The book concentrates on presenting information known in the past only to museum curators and professional conservationists. For all of those individuals who have ever wondered about how to clean, display, or store their grandmother's quilt in a home setting, and keep the item safe from moths, mildew, rodents, and other potential damage factors, such as light damage, this book is the one to have available for ready reference. Procedures for washing, plus an indepth look at various cleaning agents are discussed. The author adds many instructive "tales" that she has personally witnessed, as examples of what not to do in caring for textiles.

Editorial Review

Review

An amazing array of topics are covered, and the book offers detailed information, delivered in a user-friendly manner. --Kathy Greer, Unravel the Gavel, Aug. 19 - Sept. 15, 2005

From the Author

This book is a compilation of insights and learning based on the last fifteen years in which I paid close attention to matters of textile conservation.

About the Author

Patricia Cummings is a seasoned writer who has been writing a regular column, "Pieces of the Past" about antique quilts since 1999, in The Quilter magazine. More than forty articles have been published to date. She is a Certified Master Craftsman in Quiltmaking through the Embroiderers' Guild of America, an honor she earned in 2000. She currently holds the title of Chairman of the Master Craftsman in Quiltmaking Program. Her website has been in place since 2002 and has attracted hundreds of thousands of readers who have read the many articles there. Her words on quilt history have been quoted in a number of books, museum catalogs, and other publications. She has had her quilts and/or articles published in UnRavel the Gavel newspaper, NeedleArts magazine, Country Handcrafts, and The Appliqué Society Newsletter.

Users Review
