## Charming By Krystal Wade

They say what doesn't kill you makes you stronger, and that's great... as long as you don't die. Sixteen-year-old Haley Tremaine had it all: top-notch school, fantastic family, and a bright future, but all of that changed when an accident tore her family apart. Now, an alcoholic father, a bitter younger sister, and a cold headstone bearing her mother's name are all she has left. Chris Charming has it all: a powerful CEO for a father, a prestigious school, and a fortune at his fingertips, but none of that matters when he lands a reputation as a troublemaker. Struggling to follow in his father's footsteps, he reaches out to the one person he believes truly sees him, the one person he wants: Haley. Little do they know someone's determined to bring the two together, even if it means murder.
