**Cornerstone (The Cornerstone Series Book 1)** By Misty Provencher

Ranking #1 overall on Amazon in 2012 and then #1 for Teen and Young Adult overall in 2015, Cornerstone is the first book in this completed, Young Adult series. The reading order for these books is: Cornerstone, Keystone, Jamb, Capstone.

Nalena Maxwell is The Waste. At least, that's what she's been tagged as at school, due to her mother's obsession with hoarding truckloads of paper, each one scrawled with lines of what appears to be single-sentence stories. The insane volume of paper has forced them out of their house and now threatens to push them out of their apartment, but Nalena's mother, Evangeline, refuses to part with a single sheet.

Evangeline's papers are so much more than just a hoarder's obsession. They are the reason behind the Maxwell's tumultuous family past. And they are the reason why the future is calling upon Nalena as its champion. Kept in the dark, in order to protect her from the past and future that no mother wants her child to endure, the life she's presently living is illegible to Nalena. She believes her fate is to be only The Waste, until one night, when Garrett Reese--possibly the school's most handsome and popular Senior--seeks her out in the back corner of the library with answers and questions that reveal the true ink on Nalena's destiny.

Seventeen-year-old Nalena Maxwell, known as The Waste at her school, has received a sign to join an ancient community. She'd know that, if it wasn't the wrong dang sign. ### **About the Author**

Misty Provencher lost her literary agent in 2011. Rather than jumping back onto the publishing merry-go-round, Misty followed her gut desire to connect with her readers. She decided to release her debut novel, CORNERSTONE, week by week, in chapters, on her blog. The outpouring of support and positive response to the book was astounding. Pushed to safeguard the ownership of her work, Misty released the book digitally and in paperback. However, the first five chapters of the novel can still be found on her blog. CORNERSTONE is the first book in her young adult, paranormal fantasy, Cornerstone Series. Misty can be reached through her Nothing Cannot Happen Today blog, on Twitter, Facebook, and through email at: misty\_pro@msn.com.
