In this rich, vibrant tale, Diana Gabaldon continues the story of Claire Randall and Jamie Fraser that began with the now-classic novel Outlander and continued in Dragonfly in Amber. Sweeping us from the battlefields of eighteenth-century Scotland to the exotic West Indies, Diana Gabaldon weaves magic once again in an exhilarating and utterly unforgettable novel.

VOYAGER

Their passionate encounter happened long ago by whatever measurement Claire Randall took. Two decades before, she had traveled back in time and into the arms of a gallant eighteenth-century Scot named Jamie Fraser. Then she returned to her own century to bear his child, believing him dead in the tragic battle of Culloden. Yet his memory has never lessened its hold on her . . . and her body still cries out for him in her dreams.

Then Claire discovers that Jamie survived. Torn between returning to him and staying with their daughter in her own era, Claire must choose her destiny. And as time and space come full circle, she must find the courage to face the passion and the pain awaiting her . . . the deadly intrigues raging in a divided Scotland . . . and the daring voyage into the dark unknown that can reunite—or forever doom—her timeless love.

Praise for *Voyager*

“*Voyager* is, frankly, an amazing read. An unusual mix of romance, suspense and history. . . . If you can put this huge tome down before dawn, you’re made of sterner stuff than I am.”—*Arizona Tribune*

“Rousing . . . audacious . . . exciting . . . Gabaldon masterfully weaves . . . flashbacks . . . crossing time periods with abandon but never losing track of the story.”—*Locus*

“Unconventional . . . memorable storytelling.”—*The Seattle Times*

BONUS: This edition contains an excerpt from Diana Gabaldon's Drums of Autumn.

Editorial Review

From Publishers Weekly

This triumphant conclusion to Gabaldon's time-travel trilogy was a PW bestseller.

Copyright 1994 Reed Business Information, Inc.

From Library Journal

Time traveler Claire Randall first encountered Jamie Fraser, the fiery 18th-century Scottish clansman, in *Outlander* (Delacorte, 1991). The lovers continued their relationship in the best-selling *Dragonfly in Amber* (Delacorte, 1992). Now, in *Voyager*, Claire decides to return to the 18th century to reunite with her beloved.

First printing: 60,000 copies.

From [Booklist](#)

The third of Gabaldon's novels featuring the time-traveling heroine Claire Randall covers her reunion with her twentieth-century husband, the birth of her daughter by eighteenth-century Scots clansman Jamie Fraser, and her training as a doctor. In due course, she feels driven to essay time traveling again, but reunion with Jamie takes place on the eve of Culloden. The pair's subsequent flight for life takes them to the West Indies and, finally, to a hair-raising shipwreck in the American colonies that hints there may be a fourth volume of Claire's adventures. Gabaldon handles the time-travel elements competently but subordinates them to classic historical romance--a big one, luxuriantly detailed and featuring highly appealing characters and an authentic feel to the background that speaks well of her research and writing. Recommended wherever *Outlander* and *A Dragonfly in Amber* found an audience. *Roland Green*

Users Review

From reader reviews:

Rodney Bryant:

What do you about book? It is not important along with you? Or just adding material if you want something to explain what the one you have problem? How about your extra time?
