**Geriatric Medicine at a Glance** By Adrian Blundell, Adam Gordon

Get Print Book

*Geriatric Medicine at a Glance* logically presents the core principles of geriatric medicine, including mechanisms of ageing, changes in physiology commonly seen in older adults, and the clinical management and treatment of the key medical presentations affecting older patients. It provides a thorough overview of the essential required core knowledge, mapped to the British Geriatrics Society undergraduate curriculum on ageing.

*Geriatric Medicine at a Glance:*

- Is fully aligned with the newly developed British Geriatric Society curriculum on ageing for undergraduate medical students
- Explains the relevant concepts associated with ageing in addition to the common medical presentations seen in older adults
- Includes the perspective of nurses and other allied health professionals
- Features 'best of five' MCQ self-assessment questions

*Geriatric Medicine at a Glance* will help address the uncertainty often experienced by medical students and junior doctors when dealing with older patients.

### **Users Review**

#### **From reader reviews:**

##### **Sara Otoole:**

Here thing why this particular Geriatric Medicine at a Glance are different and dependable to be yours. First of all examining a book is good but it depends in the content of it which is the content is as delightful as food or not. Geriatric Medicine at a Glance giving you information deeper and different ways, you can find any reserve out there but there is no publication that similar with Geriatric Medicine at a Glance. It gives you thrill studying journey, its open up your own personal eyes about the thing this happened in the world which is probably can be happened around you. You can actually bring everywhere like in recreation area, café, or even in your method home by train. In case you are having difficulties in bringing the imprinted book maybe the form of Geriatric Medicine at a Glance in e-book can be your choice.

##### **Kenneth Hill:**

Reading a book can be one of a lot of pastime that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people like it. First reading a publication will give you a lot of new facts. When you read a reserve you will get new information simply because book is one of a number of ways to share the information or maybe their idea. Second, examining a book will make you more imaginative. When you reading a book especially fictional works book the author will bring that you imagine the story how the character types do it anything. Third, you could share your knowledge to other folks. When you read this Geriatric Medicine at a Glance, you are able to tells your family, friends in addition to soon about yours book. Your knowledge can inspire the mediocre, make them reading a reserve.

##### **Judy Finley:**

That reserve can make you to feel relax. This particular book Geriatric Medicine at a Glance was bright colored and of course has pictures around. As we know that book Geriatric Medicine at a Glance has many kinds or category. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and feel that you are the character on there. Therefore not at all of book are generally make you bored, any it offers you feel happy, fun and chill out. Try to choose the best book for you and try to like reading that.

##### **Michelle Favors:**

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to

generally there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Geriatric Medicine at a Glance can make you really feel more interested to read.
